

POSITION DUTY STATEMENT

PM-0924 (REV 7/2014)

CLASSIFICATION TITLE	OFFICE/BRANCH/SECTION	
CALTRANS MAINTENANCE SUPERVISOR	DISTRICT 03/MAINTENANCE DISTRICT OFFICE	
WORKING TITLE	POSITION NUMBER	EFFECTIVE DATE
ASSISTANT STORMWATER COORDINATOR	903-600-6301-XXX	12-15-15

As a valued member of the Caltrans team, you make it possible for the Department to provide a safe, sustainable, integrated, and efficient transportation system to enhance California's economy and livability. Caltrans is a performance-driven, transparent, and accountable organization that values its people, resources and partners, and meets new challenges through leadership, innovation and teamwork.

GENERAL STATEMENT:

Under the direction of a CT Maintenance Manager II, and functional guidance from a Caltrans Maintenance Area Superintendent (Specialist), the CT Maintenance Supervisor (Specialist) in Storm Water Support helps the superintendent plan and schedule the work required in the National Pollution Discharge Elimination System, State Storm Water Management Plan and all other related issues regarding storm water compliance. In the field will inspect storm water related facility and activities throughout the District. The position travels throughout the State and the District and may work out-of town at least 20% of the time. Must have and maintain at a minimum a class C driver license.

TYPICAL DUTIES:

Percentage		Job Description
Essential (E)/Marginal (M) ¹		
55%	E	Works with district personnel to ensure full compliance with the Federal Clean Water Act, the National Pollution Discharge Elimination System (NPDES), the Storm Water Management Plan (SWMP) and the Caltrans Storm Water Handbook – Maintenance Staff Guide. The incumbent will assist with annual awareness training and record keeping for all Maintenance employees to ensure compliance with the NPDES permits; work with contractor and task-order driven contracts; and ensure that proper testing is done, and that monthly and annual reports are completed as required.
20%	E	Works with the Maintenance Stormwater Section engaged in Illicit Connection/Illegal Discharge (ICID) investigations covering all associated structures and facility within the state right-of-way. Inspections will be done as required in the Federal Clean Water Act, the National Pollution Discharge Elimination System (NPDES), the Storm Water Management Plan (SWMP) and the Caltrans Storm Water Quality Handbook – Maintenance Guide. The incumbent will review and recommend changes to Best Management Proactive (BMPs); will help with site locations, wash racks, slopes and stockpile inspections; will help with training in stormwater related issues; oversee all facets of the districts Facility Pollution Prevention Plan; will track and monitor all IMMS field reports in the F family; will update the districts STBMP database; and will submit revision to HQ IMMS
15%	E	Operates a computer and other devices to document inspection, create and maintain files and produce accurate and complete reports regarding inspection, and compliance with NPDES, SWMP, and all other laws, policies and procedures involving storm water management. The incumbent will be assigned to a support position in the District Maintenance Support Office, and will be expected to respond for training and drills, as well as actual emergencies. Maintains and cleans equipment, and work areas, and will perform manual labor as needed.
10%	M	Occasionally writes service contracts. Will assist the Stormwater Coordinator in tracking all stormwater purchases and balancing the district stormwater budget.

¹ESSENTIAL FUNCTIONS are the core duties of the position that cannot be reassigned.

MARGINAL FUNCTIONS are the minor tasks of the position that can be assigned to others.
